About the course Handmade art Journal binding techniques

Course Presenter : Johanna Clough

Handmade art Journal binding, in this course we will learn about handmade art journal binding, exploring different bookbinding techniques to create durable and artistic journals. Youâ€™ll discover methods like Coptic stitch, long stitch, and Japanese stab binding, along with how to select the right paper, covers, and thread for your design. This course is perfect for beginners and experienced crafters who want to personalize their art journals. Learn how to bind loose pages, reinforce covers, and add decorative elements such as fabric, leather, or mixed media layers. Step-by-step instructions will guide you through folding, stitching, and assembling your own unique journal. By the end of the course, youâ€™ll have a fully bound handmade art journal, ready for sketches, paintings, or journaling. Join us and create a one-of-a-kind journal that reflects your creativity.
