About the course Wix studio essentials for beginners

Course Presenter : The Cutting Edge School

Wix studio essentials, in this course we will learn about Wix Studio Essentials Course and how to build stunning, responsive websites using Wix Studioâ€™s powerful features. Designed for beginners, this course walks you through every step, from setting up your account to publishing a fully functional website. Youâ€™ll explore the drag-and-drop editor, learn how to customize layouts, add text, images, and interactive elements, and design pages that adapt to all screen sizes. Weâ€™ll also cover essential tools like global design settings, breakpoints, responsive editing, and component reuse. Whether you're creating a portfolio, business site, or online store, youâ€™ll gain the skills to bring your vision to life without writing code. With practical lessons and hands-on projects, this course makes professional web design easy and accessible. Join now and unlock the full potential of Wix Studio to create impressive websites with confidence. The Cutting Edge School
