About the course French numbers

Course Presenter : Learn French With Alexa

French numbers, in this course we will learn about French numbers from 0 to 1,000 and beyond, covering both cardinal and ordinal numbers. You'll practice pronunciation, spelling, and usage of numbers in real-life situations like telling time, dates, phone numbers, money, and more. Whether you're a beginner or reviewing the basics, this course is designed to make numbers easy and fun through repetition, listening activities, and interactive exercises. Weâ€™ll also explore common mistakes and tips for remembering tricky numbers. By the end of the course, youâ€™ll be able to count fluently, understand spoken numbers, and use them correctly in everyday conversations. No prior experience is neededâ€”just bring your curiosity and enthusiasm. Letâ€™s get started and make numbers in French second nature with the French Numbers Course. Learn French With Alexa
