# About the course Recover deleted files from PC

### Course Presenter : HOWTECH

Recover deleted files from PC, in this course we will learn about how to recover deleted files from your computer, whether they were recently removed or permanently deleted. You'll explore the different recovery methods for Windows, including using the Recycle Bin, File History, system restore points, and trusted third-party software. We'll guide you through using tools like Recuva, EaseUS Data Recovery, and Disk Drill step by step. Youâ€™ll also understand how file deletion works, the importance of acting quickly, and how to improve your chances of full recovery. Whether you've lost documents, photos, videos, or any important data, this course will give you the knowledge to restore them safely. By the end of the course, youâ€™ll be equipped with practical skills to recover lost files and prevent future data loss effectivelyâ€”even if youâ€™re a beginner. HOWTECH
