About the course Set zoom in firefox browser

Course Presenter : HOWTECH

Set zoom in firefox, in this course we will learn about Set Zoom in Firefox course. Whether you're aiming for better readability or adjusting the view to fit your screen, this course guides you through all the essential zoom features in Mozilla Firefox. Youâ€™ll start by learning how to zoom in and out using keyboard shortcuts, mouse controls, and menu options. Weâ€™ll explore how to set a default zoom level for all websites and how to configure site-specific zoom preferences that Firefox remembers. Youâ€™ll also discover how to enable â€œZoom Text Onlyâ€ for adjusting font size without affecting images or layout. For accessibility needs, weâ€™ll show you how to make Firefox more user-friendly through zoom and display settings. The course also covers how to reset zoom to default and fix common zoom-related display issues. Ideal for beginners and anyone seeking a more comfortable browsing experience, this course ensures you master all zoom controls in Firefox step by step. HOWTECH
