About the course Abstract Poster design in figma

Course Presenter : Mavi Design

Abstract Poster design in figma, in this course we will learn about Abstract Poster Design in Figma. You'll explore how to use Figmaâ€™s powerful design tools to create eye-catching, modern abstract posters from scratch. Weâ€™ll begin with the basics of layout, color theory, and abstract composition, then dive into gradients, shapes, and layering techniques. Youâ€™ll also learn how to work with vector tools, blend modes, and creative typography to give your poster a bold and artistic touch. This course is perfect for beginners and designers who want to experiment with abstract visual styles and improve their Figma skills. By the end, youâ€™ll be able to design stunning abstract posters ready for digital or print use. Whether you're building your portfolio or just love design, this course will guide you step by step through the creative process. Mavi Design
