About the course Figma glassmorphic chat Icon

Course Presenter : Mavi Design

Figma glassmorphic chat Icon, in this course we will learn about Figma Glassmorphic Chat Icon design. You'll explore how to create a sleek and modern chat icon using the popular glassmorphism styleâ€”characterized by transparency, background blur, soft shadows, and glowing accents. We will start with basic shapes, then apply effects like blur and opacity to simulate a frosted glass appearance. Youâ€™ll also learn how to use gradients, borders, and subtle lighting to make the icon stand out. This course is ideal for UI/UX designers and anyone interested in modern interface design trends. Along the way, weâ€™ll cover essential Figma tools including layers, vector shapes, effects panel, and component creation. By the end of the course, youâ€™ll be able to design a professional-looking, glassmorphic chat icon that fits seamlessly into any stylish app interface or design system. Mavi Design
