About the course Photoshop realistic switch button

Course Presenter : Mavi Design

Photoshop realistic switch button, in this course we will learn about creating a realistic switch button in Photoshop. Youâ€™ll discover how to design a photorealistic UI toggle or power button using layer styles, gradients, shadows, and highlights to give it a 3D and tactile appearance. Weâ€™ll begin with the basic shape using the Ellipse Tool and build up depth using techniques like inner shadows, bevel & emboss, and gradient overlays. You'll also learn how to add subtle reflections, textures, and lighting effects to simulate real materials like plastic or metal. The course will guide you through creating both â€œonâ€ and â€œoffâ€ states of the button and how to organize layers for easy editing. Whether you're designing for web interfaces, mobile apps, or product mockups, this course will help you master the tools and techniques to create polished, realistic buttons in Photoshop. By the end, you'll be able to design professional-quality UI components that stand out. Mavi Design

Web Design Category's Courses

Course Lesson(12)

Lesson 1 : **Create a Photorealistic Button Switch in Photoshop Full Process**

Lesson 2 : **Recreating the iPhone Keynote App Icon in Illustrator Full Process**

Lesson 3 : **Loading Wheel Animation in After Effects Full Process**

Lesson 4 : **Create a Photorealistic Power Switch in Photoshop Full Process**

Lesson 5 : **How To Create a Beating Heart Animation in After Effects Full Process**

Lesson 6 : **Create an Android Loading Animation in After Effects Full Process**

Lesson 7 : **Create a 3D Number Countdown 3 2 1 GO Animation in After Effects Full Process**

Lesson 8 : **Animate a Simple Call To Action Button Scene in After Effects Full Process**

Lesson 9 : **Watch Me Animate a Medical Cross Symbol in After Effects Full Process**

Lesson 10 : **Animated â€œVirus Scanâ€ Mobile UI Concept in After Effects Full Process**

Lesson 11 : **Animated Hamburger Menu UI Concept in After Effects Full Process**

Lesson 12 : **Animated Loading Bar With a Moving Percentage Counter in After Effects Full Process**
