About the course Academic vocabulary words essentials

Course Presenter : Everyday English Hub

Academic vocabulary words, in this course we will learn about Academic Vocabulary Words Course. This course is designed to help learners master essential vocabulary used in academic settings, such as essays, research papers, and presentations. Youâ€™ll explore high-frequency academic words from the Academic Word List (AWL), understand their meanings, learn how to use them in context, and practice through interactive activities. Each module focuses on different categories of academic vocabulary, including verbs, nouns, adjectives, and common collocations. The course also covers formal language structures and transitions used in scholarly writing. Whether youâ€™re preparing for exams like IELTS or TOEFL, writing academic reports, or pursuing university studies, this course provides the tools you need to expand your academic lexicon. By the end, youâ€™ll be able to read and write with greater clarity, precision, and academic style. Everyday English Hub
