About the course Poultry nutrition

Course Presenter : eLengo

Poultry nutrition, in this course we will learn about poultry nutrition course. This comprehensive program covers the essential principles of feeding poultry for optimal growth, egg production, and health. You'll explore the roles of proteins, carbohydrates, fats, vitamins, and minerals in poultry diets. The course also dives into the digestive system of birds, nutrient absorption, and how to formulate balanced rations for broilers and layers. Special focus is given to feed ingredients, additives, probiotics, and feed conversion efficiency. You'll learn how to adjust nutrition strategies based on the birdâ€™s age, production stage, and seasonal changes. Additionally, the course examines how nutrition impacts immunity and disease resistance. Whether you're a beginner or an experienced poultry farmer, this course offers practical insights and scientific knowledge to enhance poultry performance, reduce costs, and ensure high productivity. eLengo

Science Category's Courses

Course Lesson(18)

Lesson 1 : **Poultry Nutrition Lesson 1 Introduction To Poultry Nutrition**

Lesson 2 : **Poultry Nutrition Lesson 2 Importance of Poultry Nutrition**

Lesson 3 : **Poultry Nutrition Lesson 3 Systems of Poultry Farming**

Lesson 4 : **Poultry Nutrition Lesson 4 Breeds of Poultry**

Lesson 5 : **Poultry Nutrition Lesson 5 Anatomy of a Chicken**

Lesson 6 : **Poultry Nutrition Lesson 6 Digestive System of a Chicken**

Lesson 7 : **Poultry Nutrition Lesson 7 Signs of a Healthy Chicken**

Lesson 8 : **Poultry Nutrition Lesson 8 Nutritional Components of A Compound Feed Part 1**

Lesson 9 : **Poultry Nutrition Lesson 9 Nutritional Components of A Compound Feed Part 2**

Lesson 10 : **Poultry Nutrition Lesson 10 Formulation of a Compound Feed part 1**

Lesson 11 : **Poultry Nutrition Lesson 11 Formulation of a Compound Feed part 2**

Lesson 12 : **Poultry Nutrition Lesson 12 Formulation of a Compound Feed part 3**

Lesson 13 : **Poultry Nutrition Lesson 13 Factors Affecting Nutrition of a Bird**

Lesson 14 : **Poultry Nutrition Lesson 14 Economics And Nutrition Part 1**

Lesson 15 : **Poultry nutrition Lesson 15 Economics And Nutrition Part 2**

Lesson 16 : **Poultry Nutrition Lesson 16 Sources of Vitamins Minerals**

Lesson 17 : **Poultry Nutrition Lesson 17 Management Practices**

Lesson 18 : **Poultry Nutrition Lesson 18 Expert Interview**
