About the course French language basics

Course Presenter : NLF Academy Real French Classes

French language basics, in this course we will learn about the essential building blocks of the French language, including the alphabet, basic pronunciation, common greetings, and essential vocabulary. Youâ€™ll be introduced to fundamental grammar rules such as noun gender, definite and indefinite articles, subject pronouns, and regular verb conjugations in the present tense. Through interactive lessons and practical examples, you will gain the skills to introduce yourself, ask and answer simple questions, count, talk about the days and months, and describe everyday situations. This course is perfect for absolute beginners who want a solid foundation in French before progressing to more advanced levels. Join the French Language Basics Course today and take your first step toward becoming a confident French speaker. NLF Academy Real French Classes
