About the course British english pronunciation

Course Presenter : English Like A Native

British english pronunciation, in this course we will explore the foundations and nuances of British English pronunciation. Youâ€™ll learn how to pronounce vowels, consonants, and diphthongs accurately using the standard British accent, often referred to as Received Pronunciation (RP). The course will cover important topics such as word stress, sentence intonation, and connected speech to help you sound more fluent and natural. Youâ€™ll also practice the pronunciation of commonly mispronounced words and learn how to use the phonemic chart to decode correct pronunciation. Through listening exercises, repetition, and practical speech drills, you will develop clear and confident spoken English. Whether you are a beginner or looking to refine your accent, this course provides step-by-step guidance to help you communicate effectively in British English. Letâ€™s begin the British English Pronunciation course and start speaking with clarity and confidence. English Like A Native
