About the course Crochet beanie

Course Presenter : Craft with Jess

Crochet beanie, in this course designed to guide you through every step of creating a cozy, handmade beanie, whether you are a beginner or looking to improve your crochet techniques. Youâ€™ll start by exploring the basics of yarn types, hook sizes, and gauge, then move on to foundational stitches that form the structure of your beanie. Step by step, weâ€™ll cover how to crochet in rounds, shape the crown, and adjust the size for adults, kids, or even babies. Youâ€™ll also learn decorative stitches, ribbing, and how to add finishing touches like pom-poms or brims. Along the way, weâ€™ll share tips for achieving neat tension, color changes, and customizing your beanie to match your style. By the end of this course, youâ€™ll have not only completed your own handmade crochet beanie but also gained the skills to create endless variations as unique gifts or fashion accessories.
