About the course Crochet Purse

Course Presenter : Cherya and Pien

Crochet Purse, in this course The Crochet Purse course is designed for anyone who wants to explore the art of creating stylish, practical, and handmade purses using crochet techniques. In this course, we start from the very basics, making it accessible for beginners, and gradually move into more advanced stitches and purse designs. You will learn about choosing the right yarn and hook sizes, reading and following crochet patterns, and combining stitches to create beautiful textures. We will also cover how to add lining, zippers, or decorative elements like buttons and beads to give your purse a professional finish. Through step-by-step demonstrations, youâ€™ll practice different purse shapes such as clutches, totes, and small handbags, while improving your skills with each project. By the end of the course, you will be able to confidently design and complete your own crochet purse from start to finish, making unique pieces for yourself or as personalized handmade gifts.
