About the course Making macrame bracelets with beads

Course Presenter : MACRAME MAGIC KNOTS

Making macrame bracelets with beads, in this course is a detailed and creative guide to designing handmade bracelets that combine traditional macrame knots with the beauty of beads. In this course, we start with the basics, making it beginner-friendly, and then gradually move to advanced techniques for learners who want to expand their skills. You will learn how to select the right cords, threads, and beads, and practice essential knots such as the square knot, spiral knot, and double half hitch to create strong yet decorative patterns. Step by step, youâ€™ll explore how to insert beads into your designs, use them as focal points, or integrate them into repeating patterns. The lessons also cover different bracelet stylesâ€”friendship, layered, and charm-inspiredâ€”and teach you finishing methods with adjustable closures for comfort and durability. By the end of the course, youâ€™ll have the skills to create unique macrame bracelets with beads, perfect for personal wear, meaningful gifts, or starting a handmade jewelry collection.
