About the course making Macrame Celtic Ring

Course Presenter : MACRAME MAGIC KNOTS

making Macrame Celtic Ring, in this course we start with the basics, making it beginner-friendly, and then gradually introduce more intricate techniques for learners who want to expand their macrame skills. You will learn how to select the right cords and threads, prepare your materials, and practice essential knots like the square knot, larkâ€™s head, and overhand knot to form interwoven Celtic patterns. Step by step, the lessons demonstrate how to shape and tighten the design into a ring that is both stylish and durable. Youâ€™ll also discover how to add beads or charms for a personalized touch and how to finish and size the ring properly for comfort. With clear instructions and creative ideas, you will gain confidence in crafting macrame rings that carry both beauty and meaning. By the end, youâ€™ll be able to design your own Celtic-inspired macrame rings for personal wear, gifts, or a handmade jewelry collection. MACRAME MAGIC KNOTS
