About the course Making tunisian snowy sampler

Course Presenter : TL Yarn Crafts

Making tunisian snowy sampler, in this course we will start Making Tunisian Snowy Sampler and explore the beauty of Tunisian crochet through a beginner-friendly winter-inspired project. Step by step, youâ€™ll learn how to use a Tunisian crochet hook, prepare your yarn, and practice the basic forward pass and return pass techniques that form the foundation of this craft. We will introduce essential stitches such as the Tunisian Simple Stitch, Knit Stitch, and Purl Stitch, and show you how to combine them into textured patterns that bring a snowy, cozy look to your sampler. Along the way, youâ€™ll gain tips on managing tension, preventing curling, and experimenting with color changes to add personality to your work. This project is perfect for beginners who want to build confidence while creating a decorative piece that can be used as a wall hanging, pillow cover, or the starting point for a larger blanket. By the end, youâ€™ll have mastered the basics of Tunisian crochet and completed your own snowy sampler. TL Yarn Crafts
