About the course Macrame wall Plant hanger

Course Presenter : Marching North

Macrame wall Plant hanger course, The "Macrame Wall Plant Hanger" course teaches you how to create stylish and functional plant hangers using macrame techniques. In this course, you'll learn how to make beautiful plant hangers that can be mounted on the wall or hung from ceilings, perfect for adding a bohemian touch to any space. The course covers essential macrame knots such as square knots, lark's head knots, and spiral knots, guiding you step-by-step to create intricate, customized designs. You'll also learn how to work with different materials, such as cotton cord or jute, to craft durable and aesthetically pleasing hangers. Additionally, the course teaches you how to adjust the length and size to accommodate various types of plants and pots. Whether you're a beginner or experienced in macrame, this course provides all the skills and knowledge needed to create unique, handmade plant hangers that will enhance your home decor while showcasing your favorite plants.
