About the course Macrame

Course Presenter : Marching North

Macrame course, The "Macrame" course is a comprehensive guide to learning the art of knotting cords to create beautiful and functional designs. In this course, you'll master essential macrame techniques, including various knots such as the square knot, larkâ€™s head knot, and spiral knot. You'll explore how to work with different types of cords, such as cotton, jute, and hemp, to create everything from decorative wall hangings to functional items like plant hangers, bracelets, and bags. The course covers both basic and advanced patterns, allowing you to create unique, customized pieces. Youâ€™ll also learn how to incorporate embellishments like beads, feathers, and fringes to add a personal touch to your designs. Whether youâ€™re a beginner or an experienced crafter, this course provides the skills and knowledge needed to bring your macrame creations to life and add a handmade, bohemian touch to your home or wardrobe.
