About the course Macrame Placemat design

Course Presenter : Marching North

Macrame Placemat design course, The "Macrame Placemat Design" course teaches you how to create unique and stylish placemats using macrame techniques. In this course, you will learn essential knots like the square knot, lark's head knot, and half-hitch knot, which form the foundation for creating intricate and functional designs. The course covers the basics of measuring and cutting cords, as well as how to select the right materials such as cotton, jute, or hemp to achieve the perfect texture and durability for your placemats. Youâ€™ll also learn how to personalize your placemats by adding decorative elements like fringes, beads, or other embellishments. Whether you prefer a minimalist look or a more complex design, this course will guide you through every step of the process, allowing you to craft beautiful, handmade placemats that will add a bohemian and rustic touch to your dining space. Perfect for both beginners and experienced crafters, youâ€™ll have the skills to make your own macrame placemats by the end of the course. Marching North
