About the course Origami paper flower craft

Course Presenter : HOHO Happy Origami

Origami paper flower craft course, introduces learners to the art of creating beautiful paper flowers using simple origami folding techniques. This course guides students step by step through essential origami basics, starting with easy folds and progressing to elegant flower models with realistic shapes and layered petals. Learners will discover how to choose suitable paper, achieve clean and precise folds, and combine colors creatively to produce eye-catching floral designs. The course also explores different flower styles, sizes, and decorative ideas that can be used for home dÃ©cor, gifts, celebrations, or classroom projects. Designed for beginners, craft lovers, and anyone interested in handmade paper art, no prior origami experience is required. By the end of the course, participants will be able to confidently create a variety of origami paper flowers that combine creativity, relaxation, and decorative beauty. HOHO Happy Origami
