About the course Making origami flower

Course Presenter : HOHO Happy Origami

Making origami flower course, introduces learners to the creative art of crafting elegant paper flowers using simple origami folding techniques. This course guides students step by step through the fundamentals of origami, starting with basic folds and gradually progressing to complete flower models with layered petals and natural shapes. Learners will discover how to choose suitable paper, achieve clean and precise folds, and combine colors creatively to enhance the beauty of each flower design. The course also explores different flower styles, sizes, and decorative uses, such as home dÃ©cor, gifts, celebrations, and classroom projects. Designed for beginners, craft lovers, and anyone interested in handmade paper art, no prior origami experience is required. By the end of the course, participants will be able to confidently create a variety of origami flowers that combine creativity, relaxation, and artistic expression. HOHO Happy Origami
