Mindluster Platform

About the course ArchiCAD Atelier Architectural

ArchiCAD offers a significant increase in productivity and has a better-coordinated design and a computer model based on the building process. While AutoCAD lacks in this feature. While AutoCAD may be easy to use and understand the program, ArchiCAD requires more time to understand because of too many option settings .

Engineering Category's Courses

Course Lesson(4)

Lesson 1 : **PrÃ©sentation de la formation ArchiCAD 20 Atelier Architectural**

Lesson 2 : **PrÃ©sentation du projet de la formation ArchiCAD 20 Atelier Architectural**
