About the course YouTube marketing strategies for beginners

Course Presenter : Marketing Fundas Global

YouTube Marketing Strategies course is a free certified course designed for beginners, creators, and business owners who want to grow their channels and reach the right audience. In this course, students will learn step by step how to create a YouTube marketing plan, define a target audience, choose profitable video ideas, optimize titles, descriptions, tags, thumbnails, and playlists, and use YouTube SEO to increase visibility. The course also explains how to improve watch time, boost engagement, promote videos on social media, analyze YouTube Analytics, understand audience behavior, and build a strong content schedule. By the end of the course, students will be able to grow a YouTube channel, attract more views and subscribers, and use video marketing to support personal brands or businesses. This course is completely free and includes an accredited certificate after completion. Marketing Fundas Global
