About the course French Lessons A2

Is French easy to learn? French is relatively easy to learn but it does take some time and effort. As French is closely related to English, I have to agree with the Foreign Language Institute that says that French belongs to the easiest group of languages to learn for English speakers. Having so much common vocabulary helps a lot!.How quick can I learn French? With full immersion in the French language, you can expect to be relatively fluent in three to six months. Of course, full French immersion can be tough to accomplish, considering the fact that you probably have a full-time life somewhere where French isn't the language being spoken!.What is an A2 level qualification? It is split into two parts, with one part studied in each year. The first part is known as the Advanced Subsidiary level (AS level). The second part is known as the A2 level. The AS Level is a qualification in its own right, and the AS Level together with the A2 Level forms the complete A Level qualification.Is French worth learning? If you learn french because you want to speak with many many people all around the world, english is OK. If you want to discover french culture, to live in a french speaking country, the number of speakers doesn't matter. ... French is currently the 5th most spoken language in the world with around 300 M speakers.
