Mindluster Platform

About the course Python Django

Python and Django are intertwined but not the same. Python is a programming language that's used for many different applications: artificial intelligence, machine learning, desktop apps, etc. On the other hand, Django is a Python framework for full-stack web application development and server development .

Programming Category's Courses

Course Lesson(102)

Lesson 1 : **Django Course Announcement | Python Django Tutorials In Hindi 0**

Lesson 2 : **Django Installation Getting Started | Python Django Tutorials In Hindi 1**

Lesson 3 : **Creating Our First Django Project | Python Django Tutorials In Hindi 2**

Lesson 4 : **How Django Websites Work | Python Django Tutorials In Hindi 3**

Lesson 5 : **Our First Django Website | Python Django Tutorials In Hindi 4**

Lesson 6 : **Views Urls In Django| Python Django Tutorials In Hindi 5**

Lesson 7 : **Django Exercise 1 Personal Navigator | Python Django Tutorials In Hindi 6**

Lesson 8 : **Django Website Laying The Pipeline | Python Django Tutorials In Hindi 7**

Lesson 9 : **Django Templates | Python Django Tutorials In Hindi 8**

Lesson 10 : **Creating Homepage of our TextUtils Website | Python Django Tutorials In Hindi 9**

Lesson 11 : **Django Site Coding The Backend | Python Django Tutorials In Hindi 10**

Lesson 12 : **Django Exercise 1 Solution Shoutouts | Python Django Tutorials In Hindi 11**

Lesson 13 : **Adding More Features To TextUtils Website | Python Django Tutorials In Hindi 12**

Lesson 14 : **Django Exercise 2 Revamping TextUtils | Python Django Tutorials In Hindi 13**

Lesson 15 : **Adding Boostrap To Our Django Website | Python Django Tutorials In Hindi 14**

Lesson 16 : **Fixing Bugs In Our TextUtils Website | Python Django Tutorials In Hindi 15**

Lesson 17 : **Django CSRF Tokens Post Request | Python Django Tutorials In Hindi 16**

Lesson 18 : **Exercise 2 Solution Shoutouts | Python Django Tutorials In Hindi 17**

Lesson 19 : **Wrapping Up TextUtils Website | Python Django Tutorials In Hindi 18**

Lesson 20 : **Our Next Django Website | Python Django Tutorials In Hindi 19**

Lesson 21 : **E Commerce Website In Django Project Setup | Python Django Tutorials In Hindi 20**

Lesson 22 :
E commerce Website Creating Apps Apps Vs Projects | Python Django Tutorials In Hindi 21

Lesson 23 :

E commerce Website Adding Bootstrap Templates Static | Python Django Tutorials In Hindi 22

Lesson 24 : E commerce Website Project Layout | Python Django Tutorials In Hindi 23

Lesson 25 : Models In Our Django E commerce Website | Python Django Tutorials In Hindi 24

Lesson 26 : Django Admin Adding Data To The Database | Python Django Tutorials In Hindi 25

Lesson 27 :
Designing The Homepage Of Our E Commerce Website | Python Django Tutorials In Hindi 26

Lesson 28 : Adding Images Changing Models In Django | Python Django Tutorials In Hindi 27

Lesson 29 : Adding Media Directory In Django | Python Django Tutorials In Hindi 28

Lesson 30 : Django Exercise 3 List the Products | Python Django Tutorials In Hindi 29

Lesson 31 : Fetching Products Using Python manage py shell | Python Django Tutorials In Hindi 30

Lesson 32 : Template Inheritance In Django | Python Django Tutorials In Hindi 31

Lesson 33 : Logic For Showing Products On Homepage | Python Django Tutorials In Hindi 32

Lesson 34 : Showing Products On The Homepage | Python Django Tutorials In Hindi 33

Lesson 35 : Showing Multiple Product Slides On Homepage | Python Django Tutorials In Hindi 34

Lesson 36 :
Category Wise Product Display In E Commerce Website | Python Django Tutorials In Hindi 35

Lesson 37 :
Creating an Online Shopping Cart Using JavaScript | Python Django Tutorials In Hindi 36

Lesson 38 : Exercise 3 Solution Shoutouts | Python Django Tutorials In Hindi 37

Lesson 39 : Improving Slider Logic Adding Cart Items Count | Python Django Tutorials In Hindi 38

Lesson 40 : Adding Bootstrap Row Some CSS | Python Django Tutorials In Hindi 39

Lesson 41 :
Adding Cart PopOver Other Pages Using Bootstrap | Python Django Tutorials In Hindi 40

Lesson 42 : E Commerce Website Creating Product Page | Python Django Tutorials In Hindi 41

Lesson 43 :
E Commerce Website Creating Contact Page Database | Python Django Tutorials In Hindi 42

Lesson 44 :
Exercise 3 Improving Cart Of Our E commerce Website | Python Django Tutorials In Hindi 43

Lesson 45 :
Creating Add and Remove Buttons For Items In Cart | Python Django Tutorials In Hindi 44

Lesson 46 : Creating A Cart In Navigation Bar As Popover | Python Django Tutorials In Hindi 45

Lesson 47 : Exercise 3 Solutions Shoutouts | Python Django Tutorials In Hindi 46

Lesson 48 : Adding Checkout ClearCart Buttons | Python Django Tutorials In Hindi 47

Lesson 49 : Creating The Checkout Page | Python Django Tutorials In Hindi 48

Lesson 50 : Adding Items On Checkout Page | Python Django Tutorials In Hindi 49

Lesson 51 : Creating Database Entry For Orders | Python Django Tutorials In Hindi 50

Lesson 52 : Creating Order Tracker For Customers | Python Django Tutorials In Hindi 51

Lesson 53 : Django Exercise 4 Display Prices | Python Django Tutorials In Hindi 52

Lesson 54 :

E Commerce Website Displaying Order Items In Tracker | Python Django Tutorials In Hindi 53

Lesson 55 : **Django Solution To Exercise 4 Display Prices | Python Django Tutorials In Hindi 54**

Lesson 56 : **Merging Blog App Into The Shop UI | Python Django Tutorials In Hindi 55**

Lesson 57 : **Django Website TextUtils Pull Requests | Python Django Tutorials In Hindi 56**

Lesson 58 : **Django Website My Awesome Cart Pull Requests | Python Django Tutorials In Hindi 57**

Lesson 59 : **My Awesome Cart Creating The Blog | Python Django Tutorials In Hindi 58**

Lesson 60 :
Creating Models For Blog In Our E Commerce Website | Python Django Tutorials In Hindi 59

Lesson 61 : **Django Exercise 5 BlogPosts | Python Django Tutorials In Hindi 60**

Lesson 62 :
Creating a Django Post Page For Displaying Blog Content | Python Django Tutorials In Hindi 61

Lesson 63 : **Designing The Blog Home Page | Python Django Tutorials In Hindi 62**

Lesson 64 : **Django Exercise 5 Solution Shoutouts | Python Django Tutorials In Hindi 63**

Lesson 65 : **Linking Django Blog Posts To Blog Home | Python Django Tutorials In Hindi 64**

Lesson 66 :
Integrating Facebook Like Comments Shares In Django Blog | Python Django Tutorials In Hindi 65

Lesson 67 :
Integrating Payment Gateway PayTM UPI Cards NetBanking | Python Django Tutorials In Hindi 66

Lesson 68 :
Creating Product Search Feature In Our E Commerce Website | Python Django Tutorials In Hindi 67

Lesson 69 :
Fixing A Bug In Django E Commerce Website Tracker | Python Django Tutorials In Hindi 68

Lesson 70 : **Reset Forgotten Admin Password In Django| Python Django Tutorials In Hindi 69**

Lesson 71 : **Hosting Django Website On Ubuntu VPS | Python Django Tutorials In Hindi 70**

Lesson 72 : **Creating A New Django Blog Setup Introduction | Python Django Tutorials In Hindi 71**

Lesson 73 : **Django Blog Project Setup URLConfs | Python Django Tutorials In Hindi 72**

Lesson 74 :
Django Blog Creating Django Apps Properly Managing Them | Python Django Tutorials In Hindi 73

Lesson 75 : **Django Blog Adding HTML Templates | Python Django Tutorials In Hindi 74**

Lesson 76 : **Installing Django 3 for our Django Blog | Python Django Tutorials In Hindi 75**

Lesson 77 : **Django 3 Blog Creating Migrations Superusers | Python Django Tutorials In Hindi 76**

Lesson 78 : **Django 3 Blog Creating Contact Us Model | Python Django Tutorials In Hindi 77**

Lesson 79 :
Django 3 Blog Handling Post Request in a Django View | Python Django Tutorials In Hindi 78

Lesson 80 :
Django Mesasges Framework Showing Messages in Django blog | Python Django Tutorials In Hindi 79

Lesson 81 :

Django 3 Blog Designing Blog Page Displaying Blog Posts | Python Django Tutorials In Hindi 80

Lesson 82 :
Django 3 Blog Creating Blog Model to Store Blog Posts | Python Django Tutorials In Hindi 81

Lesson 83 : **Django 3 Blog Designing the BlogPost Page | Python Django Tutorials In Hindi 82**

Lesson 84 : **Django 3 Blog Creating Search Functionality | Python Django Tutorials In Hindi 83**

Lesson 85 : **Django 3 Blog Improving Search Functionality | Python Django Tutorials In Hindi 84**

Lesson 86 :
Django 3 Blog Authentication Authorization Tutorial | Python Django Tutorials In Hindi 85

Lesson 87 : **Django 3 Blog Creating Users in Django | Python Django Tutorials In Hindi 86**

Lesson 88 : **Django 3 Blog Validating SignUp Form | Python Django Tutorials In Hindi 87**

Lesson 89 : **Django 3 Blog Login Logout Endpoints | Python Django Tutorials In Hindi 88**

Lesson 90 :
Django 3 Blog Creating Django template for Login Logout | Python Django Tutorials In Hindi 89

Lesson 91 : **Django 3 Blog Creating Blog Comments in Django | Python Django Tutorials In Hindi 90**

Lesson 92 :
Django 3 Blog Creating Comment Model Template Migrations | Python Django Tutorials In Hindi 91

Lesson 93 :
Django 3 Blog Creating APIs for Posting Comments on Blog | Python Django Tutorials In Hindi 92

Lesson 94 :
Django 3 Blog Rendering Blog Comments on Our Template | Python Django Tutorials In Hindi 93

Lesson 95 :
Django 3 Blog Restricting Comment Posting to Logged in User | Python Django Tutorials In Hindi 94

Lesson 96 :
Django 3 Blog Adding Replies to Comments on Our Blog | Python Django Tutorials In Hindi 95

Lesson 97 :
Django 3 Blog Displaying Replies Below Corresponding Comment | Python Django Tutorials In Hindi 96

Lesson 98 :
Django 3 Blog Designing Replies Below Comments Other Fixes | Python Django Tutorials In Hindi 97

Lesson 99 :
Django 3 Blog Rendering HTML inside the Blog Post | Python Django Tutorials In Hindi 98

Lesson 100 :
Using TinyMCE Editor For Editing Blog Post Content | Python Django Tutorials In Hindi 99

Lesson 101 : **Integrating TinyMCE Editor in Django Admin | Python Django Tutorials In Hindi 100**

Lesson 102 :
Adding Post Views View Counter to iCoder Django 3 Blog| Python Django Tutorials In Hindi 101
