About the course Primitive skills

What are the primitive skills? In short, primitive skills are survival techniques passed down through generations, including fire building, tracking, foraging and wilderness navigation. Nowadays, many people go without ever learning these skills, yet they continue to be taught by outdoor enthusiasts around the world.Where is primitive skills filmed? Primitive Technology is a YouTube channel run by John Plant. Based in Far North Queensland in the Australian state of Queensland, the series demonstrates the process of making tools and buildings using only materials found in the wild.What are the life skills in primitive society? What are Primitive Living skills? Shelter: Shelter is first on our list because exposure poses the most imminent risk to people. ... Fire: Fire is a huge deal in all of human history. ... Water: Water is the essence of life, of all life. ... Food: This is a huge subject, and one that will vary wildly from culture to culture.

Soft Skills Category's Courses

Course Lesson(34)

Lesson 2 : **primitive technology How to make a stone shove**

Lesson 3 : **Primitive technology knit bamboo fan**

Lesson 4 : **Primitive Technology Making a Primitive Stone Axe**

Lesson 5 : **Primitive Technology Floor Hut**

Lesson 6 : **Primitive Technology Make a wild hut with natural plants**

Lesson 7 : **Primitive Technology Make bamboo tents and create a yard full video Primitive Hut**

Lesson 8 :
PrimitiveTechnology Making a bed wooden and bambo of people primitive PRIMITIVE BED

Lesson 9 : **PrimitiveTechnology Create fire from dried bamboo Primitive Life**

Lesson 10 : **Primitive Technology Building a hut for cooking kitchen hut Primitive Hut**

Lesson 11 : **Primitive Technology Panoramic primitive hut | Daily work primitive life**

Lesson 12 : **Primitive Technology Primitive Wood Stove | Daily work primitive life**

Lesson 13 :
Primitive Technology Bamboo Baskets used for containing soil digging wells Primitive Life

Lesson 14 : **Primitive Technology Make a pulley pulling the ground | Daily work primitive life**

Lesson 15 : **Primitive Technology Living in the forest natural wilderness**

Lesson 16 :
Primitive Technology Digging A Well in Search for a Source of Water to Survive in the Wilderness 1

Lesson 17 :
Primitive Technology Digging A Well in Search for a Source of Water to Survive in the Wilderness 2

Lesson 18 :
Primitive Life Digging wells Search for a Source of Water to Survive in the Wilderness Full Video

Lesson 19 :
LIVE Primitive Technology Primitive girl Make bamboo tents and create a yard full video

Lesson 20 : **Welcome Back**

Lesson 21 : **Primitive Technology life in the forest**

Lesson 22 : **Primitive Technology two sisters do ferris relaxing in the forest**

Lesson 23 : **Survival Skills Girls living in forest do Chair Table from bamboo**

Lesson 24 : **Survival Skills How to Grow a organic vegetable garden Part1**

Lesson 25 : **Survival Skills How to Grow a organic vegetable garden Part2**

Lesson 26 :
Survival skills Looking for food Catch Freshwater Fishes to Grilled Cooking fish eating delicious

Lesson 27 :
Survival Skills Catch fish fresh water shrimp cooked in bamboo tubes The Best Food to survival

Lesson 28 :
primitive technology cooking chicken | Catch wild chicken by trap and Cooking chicken recipe

Lesson 29 : **Primitive Technology Fire Torch from Tree Resin**

Lesson 30 : **Survival skills Iron ax Donate By Fan**

Lesson 31 : **Survival Skills Pit Latrine Part2**

Lesson 32 : **I came back oldest house live a life Off Grid Wilderness Living**

Lesson 33 : **I came back oldest house live a life Off Grid Wilderness Living**

Lesson 34 : **I came back oldest house live a life Off Grid Wilderness Living**
