About the course Music

Music is the art of arranging sounds in time to produce a composition through the elements of melody, harmony, rhythm, and timbre.It is one of the universal cultural aspects of all human societies. General definitions of music include common elements such as pitch, rhythm, dynamics, and the sonic qualities of timbre and texture. Different styles or types of music may emphasize, de-emphasize or omit some of these elements. Music is performed with a vast range of instruments and vocal techniques ranging from singing to rapping; there are solely instrumental pieces, solely vocal pieces and pieces that combine singing and instruments. The word derives from Greek Î¼Î¿Ï…ÏƒÎ¹Î°Î®.
