Mindluster Platform

About the course Android Kotlin App

Kotlin is a cross-platform programming language that may be used as an alternative to Java for Android App Development. Kotlin is much simpler for beginners to try as compared to Java and this Kotlin Android Tutorial can also be used as an 'entry point' for Android App Development .

Programming Category's Courses

Course Lesson(44)

Lesson 1 : **Beginning Android Development Your First Kotlin Android App raywenderlich com**

Lesson 2 : **Installing Android Studio Beginning Android Development Your First Kotlin Android App**

Lesson 3 :
Registering as an Android Developer Beginning Android Development Your First Kotlin Android App

Lesson 4 :
Creating Your First Android Project Beginning Android Development Your First Kotlin Android App

Lesson 5 :
Running Your First Android Project Beginning Android Development Your First Kotlin Android App

Lesson 6 : **Project Contents Beginning Android Development Your First Kotlin Android App**

Lesson 7 :
Creating a Programming Todo List Challenge Beginning Android Your First Kotlin Android App

Lesson 8 : **Section Review Beginning Android Development Your First Kotlin Android App**

Lesson 9 : **Building the UI Overview Beginning Android Development Your First Kotlin Android App**

Lesson 10 :
Modifying the User Interface Beginning Android Development Your First Kotlin Android App

Lesson 11 :
Adding Another TextView Challenge Beginning Android Development Your First Kotlin Android App

Lesson 12 : **Position Items Beginning Android Development Your First Kotlin Android App**

Lesson 13 : **Challenge Adding a Rule Beginning Android Development Your First Kotlin Android App**

Lesson 14 : **Customizing Elements Beginning Android Development Your First Kotlin Android App**

Lesson 15 : **Challenge Adding an ID Beginning Android Development Your First Kotlin Android App**

Lesson 16 : **String Resources Beginning Android Development Your First Kotlin Android App**

Lesson 17 :
Challenge Add a New String Resource Beginning Android Development Your First Kotlin Android App

Lesson 18 : **Wrapping Up the Basics Beginning Android Development Your First Kotlin Android App**

Lesson 19 :
Introduction to Activities Beginning Android Development Your First Kotlin Android App

Lesson 20 :
Anatomy of an Android App Beginning Android Development Your First Kotlin Android App

Lesson 21 : **Android Manifest Beginning Android Development Your First Kotlin Android App**

Lesson 22 :
Adding Activity Properties Beginning Android Development Your First Kotlin Android App

Lesson 23 : **OOP Concepts Beginning Android Development Your First Kotlin Android App**

Lesson 24 :
Display Starting Score Challenge Beginning Android Development Your First Kotlin Android App

Lesson 25 :
Adding a Countdown Timer Beginning Android Development Your First Kotlin Android App

Lesson 26 :
Starting and Ending the Game Beginning Android Development Your First Kotlin Android App

Lesson 27 : **Activities Conclusion Beginning Android Development Your First Kotlin Android App**

Lesson 28 :
Introduction to Android Debugging Beginning Android Development Your First Kotlin Android App

Lesson 29 : **Your First Debug Beginning Android Development Your First Kotlin Android App**

Lesson 30 :
Handling Orientation Changes Beginning Android Development Your First Kotlin Android App

Lesson 31 :
Trigger Log Statements Challenge Beginning Android Development Your First Kotlin Android App

Lesson 32 : **Breakpoints Beginning Android Development Your First Kotlin Android App**

Lesson 33 : **Restoring State Beginning Android Development Your First Kotlin Android App**

Lesson 34 : **Debugging Conclusion Beginning Android Development Your First Kotlin Android App**

Lesson 35 :
Making Your Android App Look Good Beginning Android Development Your First Kotlin Android App

Lesson 36 : **App Colors Beginning Android Development Your First Kotlin Android App**

Lesson 37 :
Adding Colors Challenge Beginning Android Development Your First Kotlin Android App

Lesson 38 : **Android Animations Beginning Android Development Your First Kotlin Android App**

Lesson 39 :
Adding an Animation Challenge Beginning Android Development Your First Kotlin Android App

Lesson 40 : **Adding a Menu Beginning Android Development Your First Kotlin Android App**

Lesson 41 : **About Dialog Beginning Android Development Your First Kotlin Android App**

Lesson 42 :
App Icon and Display Name Beginning Android Development Your First Kotlin Android App

Lesson 43 :
Submitting to the Google Play Store Beginning Android Development Your First Kotlin Android App
