Mindluster Platform

About the course Using AI to Transform Search

The biggest way search engines use AI is to rank webpages, videos, and other content in search results. Google (and other search engines) rely on complex AI to determine how content gets ranked.

Programming Category's Courses

Course Lesson(3)

Lesson 1 : **Using AI to Transform Search The Course Overview | packtpub com**

Lesson 2 :
Using AI to Transform Search Introduction to LinkedIn Connection Feature | packtpub com

Lesson 3 : **Using AI to Transform Search Revisiting Navigation Application | packtpub com**
