Try copying what you hear to practise your pronunciation and learn which words in a sentence are stressed. Read out loud Read the newspaper or a magazine out to yourself. You could even find a script for your favourite TV show and act it out! This is a great way to practise pronunciation because you only need to concentrate on making sure you English sounds great and donâ€™t need to worry about sentence structure or grammar. Learn a new word every day Choose a word you would like to work on and use practice it in different sentences. Use the word until you have learnt it and keep using it regularly. Watch films Watch movies in English and pay attention to new vocabulary and pronunciation. Imitate the actors and have fun with it. Use a dictionary Online dictionaries often have audio examples so you can check your pronunciation and there are lots of great dictionary apps that you can take everywhere with you on your smartphone. Make sure not to become too reliant on these tools, though. Have a go at saying the words first then check afterwards to see if you were right!
