Mindluster Platform

About the course Mastering Windows Server Programming

Servers aren't for programming. People don't program on servers. At least not 95% of the time. Linux is the OS of choice for programmers, according to StackOverflow it's by FAR the most favored OS by developers.

Programming Category's Courses

Course Lesson(7)

Lesson 1 : **Mastering Windows Server 2019 The Course Overview | packtpub com**

Lesson 2 : **Mastering Windows Server 2019 Building a Failover Cluster | packtpub com**
