Mindluster Platform

About the course Adaptive Cards community

Adaptive Cards are platform-agnostic snippets of UI, authored in JSON, that apps and services can openly exchange. When delivered to a specific app, the JSON is transformed into native UI that automatically adapts to its surroundings. It helps design and integrate light-weight UI for all major platforms and frameworks.

Programming Category's Courses

Course Lesson(26)

Lesson 1 : **Adaptive Cards community call â€“ April 2021**

Lesson 2 : **Adaptive Cards community call March 2021**

Lesson 3 : **Adaptive Cards community call February 2021**

Lesson 4 : **Adaptive Cards community call January 2021**

Lesson 5 : **Adaptive Cards community call December 2020**

Lesson 6 : **Adaptive Cards community call November 2020**

Lesson 7 : **Adaptive Cards community call October 2020**

Lesson 8 : **Adaptive Cards community call September 2020**

Lesson 9 : **Adaptive Cards community call August 2020**

Lesson 10 : **Adaptive Cards community call July 2020**

Lesson 11 : **Adaptive Cards community call June 2020**

Lesson 12 : **Adaptive Cards community call April 2020**

Lesson 13 : **Adaptive Cards community call March 2020**

Lesson 14 : **Adaptive Cards developer community call February 2020**

Lesson 15 : **Adaptive Cards developer community call January 2020**

Lesson 16 : **Adaptive Cards developer community call November 2019**

Lesson 17 : **Adaptive Cards developer community call October 2019**

Lesson 18 : **Adaptive Cards developer community call September 2019**

Lesson 19 : **Adaptive Cards developer community call August 2019**

Lesson 20 : **Adaptive Cards developer community call July 2019**

Lesson 21 : **Adaptive Cards community call June2019**

Lesson 22 : **Adaptive Cards community call May 2019**

Lesson 23 : **Adaptive Cards community call April 2019**

Lesson 24 : **Adaptive Cards community call March 2019**

Lesson 25 : **Adaptive Cards community call February 2019**

Lesson 26 : **Adaptive Cards community call January 2019**
