Mindluster Platform

About the course Coding Music Programming

Live coding is a type of performance art in which the performer creates music by programming and reprogramming a synthesizer as the composition plays. The synthesizer code is typically projected onto walls or screens for the audience to inspect as they listen to the unfolding sound .

Programming Category's Courses

Course Lesson(2)

Lesson 1 : **Ruck P Destination full EP**

Lesson 2 : **GYVUS Floret EP Full Album Chill Electronic Hip Hop**
