Mindluster Platform

About the course Jetpack Compose

Jetpack compose is a modern Android UI toolkit introduced by Google. It simplifies the app development process and speeds it up. With Jetpack Compose, you can write less code compared to the current view building approach â€“ which also means less potential bugs. There is one more great thing about it â€“ it uses Kotlin .

Programming Category's Courses

Course Lesson(2)

Lesson 1 : **Shimmer Animation Jetpack Compose Beta**

Lesson 2 : **Compose Navigation Animations NEW**
