Mindluster Platform

About the course Machine Learning Explainability Workshop

Machine learning is a type of artificial intelligence (AI) that enables systems to automatically learn and improve from experience without being explicitly programmed

Computer Science Category's Courses

Course Lesson(5)

Lesson 1 : **Stanford Seminar ML Explainability Part 1 I Overview and Motivation for Explainability**

Lesson 2 : **Stanford Seminar ML Explainability Part 2 I Inherently Interpretable Models**

Lesson 3 : **Stanford Seminar ML Explainability Part 3 I Post hoc Explanation Methods**

Lesson 4 :
Stanford Seminar ML Explainability Part 4 I Evaluating Model Interpretations Explanations

Lesson 5 : **Stanford Seminar ML Explainability Part 5 I Future of Model Understanding**
