About the course Digital Literacy

Digital Literacy course in hindi In this course, we will learn essential digital skills, from computer basics to online safety, enabling confident digital navigation

Computer Science Category's Courses

Course Lesson(35)

Lesson 1 : **Topic 1 | Introduction to Computers | Computer Basics | Digital Literacy**

Lesson 2 : **Topic 2 | Introduction to Computers Hardware | Digital Literacy**

Lesson 3 : **Topic 3 | Introduction to Computers Input Devices Keyboard Basics | Digital Literacy**

Lesson 4 : **Topic 4 | Introduction to Computers Other Input Devices | Digital Literacy**

Lesson 5 : **Topic 5 | Introduction to Computers Output | What is computer output | Digital Literacy**

Lesson 6 : **Topic 6 | Introduction to Computers Software | Digital Literacy**

Lesson 7 : **Topic 7 | Introduction to Computers Pointing Devices | Digital Literacy**

Lesson 8 : **Topic 8 | Introduction to Computers Storage | Digital Literacy**

Lesson 9 : **Topic 9 | Introduction to Computers Internet | Digital Literacy**

Lesson 10 : **Topic 10 | Introduction to Computers Computer Security | Digital Literacy**

Lesson 11 : **Topic 11 | Using the Computer and Managing Files Introduction | Digital Literacy**

Lesson 12 :
Topic 12 | Using the Computer and Managing Files Desktop Environment | Digital Literacy

Lesson 13 : **Topic 13 | Using the Computer and Managing Files Organizing Files | Digital Literacy**

Lesson 14 : **Topic 14 | Using the Computer and Managing Files Print Management | Digital Literacy**

Lesson 15 : **Topic 15 | Word Processing Introduction | Digital Literacy**

Lesson 16 : **Topic 16 | Word Processing Using the Application | Digital Literacy**

Lesson 17 : **Topic 17 | How to do Word Processing Formatting in MS word | Digital Literacy**

Lesson 18 : **Topic 18 | How to create Word Processing Tables in MS office | Digital Literacy**

Lesson 19 : **Topic 20 | Word Processing Mail Merge | Digital Literacy**

Lesson 20 : **Topic 19 | Word Processing Preparing Outputs in MS office | Digital Literacy**

Lesson 21 : **Topic 21 | Microsoft Excel Introduction | Introduction of MS Excel | Digital Literacy**

Lesson 22 : **Topic 22 | How to save an Excel File in MS Excel | Digital Literacy**

Lesson 23 : **Topic 23 | Microsoft Excel Creating Complex Formulas | Digital Literacy**

Lesson 24 : **Topic 24 | Microsoft Excel Sorting Data | Digital Literacy**

Lesson 25 : **Topic 25 | Microsoft PowerPoint Introduction | Digital Literacy**

Lesson 26 : **Topic 26 | Microsoft PowerPoint Move Copy or Delete the text | Digital Literacy**

Lesson 27 : **Topic 27 | Microsoft PowerPoint Change preset animation effects | Digital Literacy**

Lesson 28 : **Topic 28 | Internet Communication Introduction | Digital Literacy**

Lesson 29 : **Topic 29 | Internet Communication Web Navigation | Digital Literacy**

Lesson 30 : **Topic 30 | Internet and Communication Search Engines | Digital Literacy**

Lesson 31 : **Topic 31 | Internet and Communication Email Application | Digital Literacy**

Lesson 32 : **Topic 32 | Internet and Communication Electronic Mail | Digital Literacy**

Lesson 33 : **Topic 33 | Internet and Communication Mail Management | Digital Literacy**

Lesson 34 : **Topic 34 | Internet and Communication Information Security | Digital Literacy**

Lesson 35 : **Topic 35 | Internet and Communication Things to Remember | Digital Literacy**
