Mindluster Platform

About the course AutoCAD for Architecture

AutoCAD for Architecture course in hindi In this course, we'll delve into AutoCAD's specialized tools and features tailored for architectural design and drafting

Engineering Category's Courses

Course Lesson(123)

Lesson 1 : **Topic 1 | Introduction to AutoCAD | What is AutoCAD | AutoCAD**

Lesson 2 : **Topic 2 | How to Create an Account for Autodesk Products | AutoCAD**

Lesson 3 : **Topic 3 | How to Install AutoCAD | AutoCAD installation | AutoCAD**

Lesson 4 : **Topic 4 | What is AutoCAD Classic | AutoCAD**

Lesson 5 : **Topic 5 | Quick Introduction to AutoCAD and its InterfaceModels Layouts | AutoCAD**

Lesson 6 : **Topic 6 | essential Prerequisites for AutoCAD | AutoCAD**

Lesson 7 : **Topic 7 | Introduction to AutoCAD Main Menu Part 1 | AutoCAD**

Lesson 8 : **Topic 8 | Introduction to AutoCAD Main Menu Part 2 | AutoCAD**

Lesson 9 : **Topic 9 | Introduction to AutoCAD Main Menu Part 3 | AutoCAD**

Lesson 10 : **Topic 10 | What is Line Command in AutoCAD | AutoCAD**

Lesson 11 : **Topic 11 | What are the Units and Limits in AutoCAD | AutoCAD**

Lesson 12 : **Topic 12 | Basic Precision Drawing Tools in AutoCAD Part 1 | AutoCAD**

Lesson 13 : **Topic 13 | Basic Precision Drawing Tools in AutoCAD Part 2 | AutoCAD**

Lesson 14 : **Topic 14 | Line with Measuring Units in AutoCAD | AutoCAD**

Lesson 15 : **Topic 16 | What is Join and Explode Commands in AutoCAD | AutoCAD**

Lesson 16 : **Topic 15 | What Changing Line Properties do in AutoCAD | AutoCAD**

Lesson 17 :
Topic 17 | What are the Drawing Lines with Different Dimensions and Angles in AutoCAD | AutoCAD

Lesson 18 : **Topic 18 | How to select Dimension Style in AutoCAD Part 1 | AutoCAD**

Lesson 19 : **Topic 19 | How to Select Dimension Style in AutoCAD Part 2 | AutoCAD**

Lesson 20 : **Topic 20 | How to draw Polyline Command in AutoCAD | AutoCAD**

Lesson 21 : **Topic 21 | What is Polygon Command in AutoCAD | AutoCAD**

Lesson 22 : **Topic 22 | Overview of Line Polyline and Polygon Commands in AutoCAD | AutoCAD**

Lesson 23 : **Topic 23| What is Rectangle Command in AutoCAD | AutoCAD**

Lesson 24 : **Topic 25 | What is Arc Command in AutoCAD Part 2 | AutoCAD**

Lesson 25 : **Topic 24 | What is Arc Command in AutoCAD Part 1 | AutoCAD**

Lesson 26 :
Topic 27 | How to Draw Lines with Different Fillet Radius and Curves in AutoCAD | AutoCAD

Lesson 27 : **Topic 26 | How to use Circle Command in AutoCAD | AutoCAD**

Lesson 28 : **Topic 28 | How to use Ellipse and Spline in AutoCAD | AutoCAD**

Lesson 29 :
Topic 29 | How to use Rectangle Arc Circle and Ellipse Commands in AutoCAD | AutoCAD

Lesson 30 : **Topic 30 | How to use Point Command in AutoCAD | AutoCAD**

Lesson 31 : **Topic 31 | How to use Block Command in AutoCAD Part 1 | AutoCAD**

Lesson 32 : **Topic 32 | How to use Block Command in AutoCAD Part 2 | AutoCAD**

Lesson 33 : **Topic 33 | How to use Helix and Donut Commands in AutoCAD | AutoCAD**

Lesson 34 : **Topic 34 | How to use Table Command in AutoCAD Part 1 | AutoCAD**

Lesson 35 : **Topic 35 | How to use Table Command in AutoCAD Part 2 | AutoCAD**

Lesson 36 : **Topic 36 | How to use Table Command in AutoCAD Part 3 | AutoCAD**

Lesson 37 : **Topic 37 | How to link an Excel File with AutoCAD Table | AutoCAD**

Lesson 38 : **Topic 38 | How to use Hatch Command in AutoCAD | AutoCAD**

Lesson 39 : **Topic 39 | How to use Gradient Command in AutoCAD | AutoCAD**

Lesson 40 :
Topic 40 | How to use Point Table Gradient and Hatch Commands in AutoCAD | AutoCAD

Lesson 41 : **Topic 41 | How to use Boundary and Region Commands in AutoCAD | AutoCAD**

Lesson 42 : **Topic 42 | Introduction to Single Line Text Command in AutoCAD Part 1 | AutoCAD**

Lesson 43 : **Topic 43 | Introduction to Single Line Text Command in AutoCAD Part 2 | AutoCAD**

Lesson 44 : **Topic 44 | How to use Multiline Text Command in AutoCAD Part 1 | AutoCAD**

Lesson 45 : **Topic 45 | How to use Multi line Text Command in AutoCAD Part 2 | AutoCAD**

Lesson 46 : **Topic 46 | How to Fix Text Height in AutoCAD | AutoCAD**

Lesson 47 : **Topic 47 | How to use Express Tools in AutoCAD | AutoCAD**

Lesson 48 : **Topic 48 | How to use Paste Command in AutoCAD | AutoCAD**

Lesson 49 : **Topic 49 | How to use Hyperlink Command in AutoCAD | AutoCAD**

Lesson 50 : **Topic 50 | How to Apply Transparency in AutoCAD | AutoCAD**

Lesson 51 : **Topic 51| How to measure Distances Lengths and Areas in AutoCAD | AutoCAD**

Lesson 52 : **Topic 52| How to measure Radius Diameter and Angles in AutoCAD | AutoCAD**

Lesson 53 : **Topic 53 | What are layers Concept of Layers in AutoCAD | AutoCAD**

Lesson 54 : **Topic 54 | How to edit Layers in AutoCAD Part 1 | AutoCAD**

Lesson 55 : **Topic 55 | How to Edit Layers in AutoCAD Part 2 | AutoCAD**

Lesson 56 : **Topic 56 |How to use Match Property Command in AutoCAD | AutoCAD**

Lesson 57 : **Topic 57 | How to Erase Copy Move and Mirror Commands in AutoCAD | AutoCAD**

Lesson 58 : **Topic 58 | How to use Offset Command in AutoCAD | AutoCAD**

Lesson 59 : **Topic 59 | How to use Array Rotate and Stretch Commands in AutoCAD | AutoCAD**

Lesson 60 : **Topic 60 | How to use Scale Command in AutoCAD | AutoCAD**

Lesson 61 : **Topic 61 | Break Extend and Trim Commands in AutoCAD | AutoCAD**

Lesson 62 : **Topic 62 | Fillet and Chamfer Commands in AutoCAD | AutoCAD**

Lesson 63 : **Topic 63 | How to use LISP Tool in AutoCAD | AutoCAD**

Lesson 64 :
Topic 64 | Digitizing the Khasra Plan and Recovering the Corrupted File in AutoCAD | AutoCAD

Lesson 65 :
Topic 65 | Higher Versions Saving the Template for Layout and Adjusting Multiple Drawing | AutoCAD

Lesson 66 : **Topic 66 | How to Insert PDF Images in AutoCAD as Drawing File | AutoCAD**

Lesson 67 : **Topic 67 | Introduction to House Plan in AutoCAD Part 1| AutoCAD**

Lesson 68 : **Topic 69 | Important Terms Used in Building Plans in AutoCAD | AutoCAD**

Lesson 69 : **Topic 68 | Introduction to House Plan in AutoCAD Part 2 | AutoCAD**

Lesson 70 : **Topic 70 | Guidelines for the Designing of House Plans in AutoCAD | AutoCAD**

Lesson 71 : **Topic 71 | Site Requirements for Residential Building in AutoCAD | AutoCAD**

Lesson 72 :
Topic 72 | Recommended Size for House Plan Components and FAR Requirements | AutoCAD

Lesson 73 : **Topic 73 | Creating Location Plan of House in AutoCAD | AutoCAD**

Lesson 74 : **Topic 75 | Designing of Ground Floor Plan in AutoCAD Part 2 | AutoCAD**

Lesson 75 : **Topic 74 | Designing of Ground Floor Plan in AutoCAD Part 1 | AutoCAD**

Lesson 76 : **Topic 76 | Designing of Ground Floor Plan in AutoCAD Part 3 | AutoCAD**

Lesson 77 : **Topic 77 | Creating Spaces for Doors in House Plan in AutoCAD Part 1 | AutoCAD**

Lesson 78 : **Topic 78 | Creating Spaces for Doors in House Plan in AutoCAD Part 2 | AutoCAD**

Lesson 79 : **Topic 79 | Placement of Doors in House Plan in AutoCAD Part 1 | AutoCAD**

Lesson 80 : **Topic 80 | Placement of Doors in House in AutoCAD Plan Part 2 | AutoCAD**

Lesson 81 : **Topic 81 | Creating Spaces for Windows in House Plan in AutoCAD | AutoCAD**

Lesson 82 : **Topic 82 | Placement of Windows in House Plan in AutoCAD | AutoCAD**

Lesson 83 : **Topic 84 | How to Add Text to House Plan in AutoCAD | AutoCAD**

Lesson 84 : **Topic 83 | Placing the Interior Fixtures in House Plan in AutoCAD | AutoCAD**

Lesson 85 : **Topic 85 | How to Add Dimensions to House Plan in AutoCAD | AutoCAD**

Lesson 86 : **Topic 87 | Introduction to Elevation Drawings of House Plan in AutoCAD | AutoCAD**

Lesson 87 : **Topic 86 | How to Design the House Plan of 1st Floor in AutoCAD | AutoCAD**

Lesson 88 : **Topic 89 | Introduction to Section drawing of House Plan in AutoCAD | AutoCAD**

Lesson 89 : **Topic 88 | Finalizing the Elevation Drawing of House plan in AutoCAD | AutoCAD**

Lesson 90 : **Topic 90 | Finalizing the Section Drawing of House Plan in AutoCAD Part 1 | AutoCAD**

Lesson 91 :
Topic 91 | How to Finalize the Section Drawing of House Plan in AutoCAD Part 2 | AutoCAD

Lesson 92 :
Topic 92 | How to schedule Doors Windows and Areas of House Plan in AutoCAD| AutoCAD

Lesson 93 :
Topic 93 | How to finalize the Remaining Components of Submission Drawings in AutoCAD | AutoCAD

Lesson 94 :
Topic 94 | How to setup page for Printing and Exporting of Drawings in AutoCAD | AutoCAD

Lesson 95 : **Topic 95 | How to prepare the Plan for AutoCAD 3D Modeling | AutoCAD**

Lesson 96 : **Topic 96 | How to draw the Walls of House Plan in AutoCAD 3D | AutoCAD**

Lesson 97 : **Topic 97 | How to Finalize the Walls of House Plan in AutoCAD 3D | AutoCAD**

Lesson 98 : **Topic 98 | How to design Doors in AutoCAD 3D | AutoCAD**

Lesson 99 : **Topic 99 | How to Design of Windows in AutoCAD 3D | AutoCAD**

Lesson 100 : **Topic 100 | How to place the Doors and Windows in AutoCAD 3D | AutoCAD**

Lesson 101 : **Topic 101 | How to design Roofing Details of House in AutoCAD 3D | AutoCAD**

Lesson 102 : **Topic 102 | How to Finalizing the 3D View of House in AutoCAD | AutoCAD**

Lesson 103 : **Topic 103 | Installation of 3DS MAX and its Basics | AutoCAD**

Lesson 104 : **Topic 104 | Overview and Creating Different Objects in 3DS MAX | AutoCAD**

Lesson 105 : **Topic 105 | How to import AutoCAD File and Extruding Walls in 3DS MAX | AutoCAD**

Lesson 106 : **Topic 106 | How to create Spaces for Doors and Windows in 3DS MAX | AutoCAD**

Lesson 107 : **Topic 107 | How to place the Doors in 3DS MAX | AutoCAD**

Lesson 108 : **Topic 108 | How to place the Windows in 3DS MAX | AutoCAD**

Lesson 109 : **Topic 109 | How to design Roof in 3DS MAX | AutoCAD**

Lesson 110 : **Topic 110 | How to apply the Materials in 3DS MAX Part 1 | AutoCAD**

Lesson 111 : **Topic 111 | How to apply the Materials in 3DS MAX Part 2 | AutoCAD**

Lesson 112 : **Topic 112 | How to do Rendering in 3DS MAX | AutoCAD**

Lesson 113 :
Topic 113 | How to create Location Plan and Leaving Mandatory Open Spaces of 1 Kanal House | AutoCAD

Lesson 114 :
Topic 114 | How to design Ground Floor Plan of 1 Kanal House in AutoCAD Part 1 | AutoCAD

Lesson 115 :
Topic 115 | How to Design Ground Floor Plan of 1 Kanal House in AutoCAD Part 2 | AutoCAD

Lesson 116 :
Topic 116 | How to create Spaces for Doors and Windows of 1 Kanal House Plan in AutoCAD | AutoCAD

Lesson 117 : **Topic 117 | How to place the Doors and Windows in 1 Kanal House Plan | AutoCAD**

Lesson 118 :
Topic 118 | How to add Text and Dimensions to 1 Kanal House Plan in AutoCAD | AutoCAD

Lesson 119 : **Topic 119 | Importing and Extruding the Walls in 3DS MAX | AutoCAD**

Lesson 120 :
Topic 120 | How to create Spaces and Placement of Doors and Windows in 3DS MAX | AutoCAD

Lesson 121 : **Topic 121 | How to design Roof and Applying Material in 3DS MAX | AutoCAD**

Lesson 122 : **Topic 122 | How to do Rendering of 1 Kanal House in 3DS MAX | AutoCAD**

Lesson 123 : **Topic 123 | Overview of the Course and Way Forward | AutoCAD**
