About the course mysql db basics for Beginners

mysql db course in hindi, in this course covers database design, querying, and management using MySQL, a popular open-source relational database management system

Computer Science Category's Courses

Course Lesson(38)

Lesson 1 : **What is MySQL | Overview and Features | MySQL Tutorial for Beginners | Amit Thinks**

Lesson 2 : **How to create a new Database in MySQL**

Lesson 3 : **How to create a new table in MySQL**

Lesson 4 : **How to insert records in a table with MySQL**

Lesson 5 : **SELECT Statement in MySQL | How to Select records from columns**

Lesson 6 : **SELECT DISTINCT Statement in MySQL | How to Select distinct records from columns**

Lesson 7 : **WHERE CLAUSE in MySQL**

Lesson 8 :
MySQL Constraints Tutorial with 20 Examples NOT NULL UNIQUE DEFAULT CHECK PRIMARYKEY INDEXES

Lesson 9 : **How to use CASE Statement in MySQL**

Lesson 10 : **What are Joins in MySQL Inner Left Right Full**

Lesson 11 : **How to Drop a Database in MySQL**

Lesson 12 : **MySQL Indexes**

Lesson 13 : **How to Drop a Table in MySQL**

Lesson 14 : **Comments in MySQL**

Lesson 15 : **IN Operator in MySQL**

Lesson 16 : **How to order sort records in MySQL**

Lesson 17 : **MySQL MIN function | MySQL Tutorial for Beginners**

Lesson 18 : **MySQL COUNT Function**

Lesson 19 :
How to alter and drop a column from the existing table in MySQL | Alter a Table in MySQL

Lesson 20 : **MySQL BETWEEN operator**

Lesson 21 : **OR operator in MySQL**

Lesson 22 :

How to alter and add a new column to an existing table in MySQL | Alter a Table in MySQL

Lesson 23 : **LIKE operator in MySQL**

Lesson 24 : **How to Alter a table in MySQL**

Lesson 25 : **MySQL AVG Function**

Lesson 26 : **Alias in MySQL**

Lesson 27 : **DELETE Statement in MySQL**

Lesson 28 : **UPDATE Statement in MySQL**

Lesson 29 : **NOT operator in MySQL**

Lesson 30 : **MySQL SUM Function**

Lesson 31 : **LIMIT Clause in MySQL**

Lesson 32 : **How to create AUTO INCREMENT field in MySQL**

Lesson 33 : **How to order records in descending order in MySQL | Amit Thinks**

Lesson 34 : **MySQL MAX function**

Lesson 35 : **How to display records from a specific column in MySQL**

Lesson 36 : **How to alter and modify a column in MySQL | Alter a Table in MySQL**

Lesson 37 : **AND operator in MySQL**

Lesson 38 : **How to install MySQL 8 0 34 Server and Workbench latest version on Windows 11**
