About the course MySQL Constraints for Beginners

MySQL Constraints course in hindi, in this course covers the implementation and management of data integrity rules in MySQL databases using constraints

Computer Science Category's Courses

Course Lesson(39)

Lesson 1 : **What is MySQL | Overview and Features | MySQL Tutorial for Beginners | Amit Thinks**

Lesson 2 :
MySQL Constraints Tutorial with 20 Examples NOT NULL UNIQUE DEFAULT CHECK PRIMARYKEY INDEXES

Lesson 3 : **What is MySQL | Overview and Features | MySQL Tutorial for Beginners | Amit Thinks**

Lesson 4 : **How to use CASE Statement in MySQL**

Lesson 5 : **What are Joins in MySQL Inner Left Right Full**

Lesson 6 : **How to Drop a Database in MySQL**

Lesson 7 : **MySQL Indexes**

Lesson 8 : **How to Drop a Table in MySQL**

Lesson 9 : **Comments in MySQL**

Lesson 10 : **IN Operator in MySQL**

Lesson 11 : **How to order sort records in MySQL**

Lesson 12 : **MySQL MIN function | MySQL Tutorial for Beginners**

Lesson 13 : **MySQL COUNT Function**

Lesson 14 :
How to alter and drop a column from the existing table in MySQL | Alter a Table in MySQL

Lesson 15 : **MySQL BETWEEN operator**

Lesson 16 : **OR operator in MySQL**

Lesson 17 :
How to alter and add a new column to an existing table in MySQL | Alter a Table in MySQL

Lesson 18 : **SELECT DISTINCT Statement in MySQL | How to Select distinct records from columns**

Lesson 19 : **LIKE operator in MySQL**

Lesson 20 : **How to Alter a table in MySQL**

Lesson 21 : **MySQL AVG Function**

Lesson 22 : **Alias in MySQL**

Lesson 23 : **DELETE Statement in MySQL**

Lesson 24 : **WHERE CLAUSE in MySQL**

Lesson 25 : **How to create a new table in MySQL**

Lesson 26 : **UPDATE Statement in MySQL**

Lesson 27 : **NOT operator in MySQL**

Lesson 28 : **MySQL SUM Function**

Lesson 29 : **SELECT Statement in MySQL | How to Select records from columns**

Lesson 30 : **LIMIT Clause in MySQL**

Lesson 31 : **How to create AUTO INCREMENT field in MySQL**

Lesson 32 : **How to insert records in a table with MySQL**

Lesson 33 : **How to order records in descending order in MySQL | Amit Thinks**

Lesson 34 : **MySQL MAX function**

Lesson 35 : **How to display records from a specific column in MySQL**

Lesson 36 : **How to alter and modify a column in MySQL | Alter a Table in MySQL**

Lesson 37 : **AND operator in MySQL**

Lesson 38 : **How to create a new Database in MySQL**

Lesson 39 : **How to install MySQL 8 0 34 Server and Workbench latest version on Windows 11**
