About the course Special Diodes in Electronic Devices

Special Diodes course in hindi, This course covers various specialized diodes such as Zener, Schottky, LED, and more, exploring their unique properties and applications.

Computer Science Category's Courses

Course Lesson(9)

Lesson 1 : **Light Emitting Diode LED**

Lesson 2 : **Examples of Light Emitting Diode LED**

Lesson 3 : **Varactor Diode Varicap Diode**

Lesson 4 : **Tunnel Diode Esaki Diode**

Lesson 5 : **Examples of Tunnel Diode**

Lesson 6 : **Photo Diode Working of Photo Diode**

Lesson 7 : **Solar Cell Working of Solar Cell Parameters of Solar Cell**

Lesson 8 : **Examples of Solar Cell**

Lesson 9 : **Examples of Special Diodes**
