About the course AVR Serial Communication

AVR Serial course in hindi, In this course explore AVR Serial communication, a key feature for data exchange in AVR microcontroller applications.

Computer Science Category's Courses

Course Lesson(11)

Lesson 1 :
AVR Serial Communication AVRSerialCommunication AVRMicrocontroller ATmega32 EngineeringFunda

Lesson 2 :
AVR Serial Communication Registers AVRSerialCommunication AVRSerialCommunicationRegisters

Lesson 3 :
AVR Serial Transmission Programming AVRSerialTransmissionProgramming AVRSerialCommunication

Lesson 4 :
AVR Serial Reception Programming AVRSerialReceptionProgramming AVRSerialCommunication

Lesson 5 :
AVR Interrupt based serial Programming AVRSerialCommunication AVRInterrupt AVRMicrocontroller

Lesson 6 : **SPI Protocol Basics 1 ATmega32 AVRMicrocontroller AVRInterfacing**

Lesson 7 : **SPI Protocol Basics 2 ATmega32 AVRMicrocontroller AVRInterfacing**

Lesson 8 : **SPI Register and Programming ATmega32 AVRMicrocontroller AVRInterfacing**

Lesson 9 : **I2C Protocol Basics ATmega32 AVRMicrocontroller AVRInterfacing**

Lesson 10 : **I2C TWI Registers and C Programming ATmega32 AVRMicrocontroller AVRInterfacing**

Lesson 11 :
DS 1307 RTC Real Time Clock Interfacing and Programming using I2C Protocol AVRInterfacing
