About the course Thermodynamic systems in Mechanical

Thermodynamic systems course in hindi, in this course Explore the principles governing energy transfer and transformation within various systems in this comprehensive course.

Engineering Category's Courses

Course Lesson(4)

Lesson 1 :
Thermodynamics Terminologies State Process Path and Cycle in Basic Mechanical Engineering

Lesson 2 :
Zeroth law of thermodynamics in Basic Mechanical Engineering ZerothLawOfThermodynamics

Lesson 3 :
First law of thermodynamics in Basic Mechanical Engineering FirstLawOfThermodynamics

Lesson 4 :
Thermodynamic systems in Basic Mechanical Engineering by Engineering Funda ThermodynamicSystems
