# About the course IoT Communication Protocols

IoT Communication Protocols course, In this course we'll explore essential communication protocols for seamless IoT device connectivity and data exchange.

**Computer Science Category's Courses**

## Course Lesson(5)

Lesson 1 : **IoT | End to End Architecture | Day 1 | 360DigiTMG**

Lesson 2 : **Introduction to Arduino | Day 2 | 360DigiTMG**

Lesson 3 : **Arduino Programming | Day 3 | 360DigiTMG**

Lesson 4 : **IoT applications using Arduino | Day 4 | 360DigiTMG**

Lesson 5 : **IoT Communication Protocols | Day 5 | 360DigiTMG**

## Related courses
