# About the course Technical Communication in Mechanical

Technical Communication in Mechanical course, in this course Develop communication skills tailored to the field, covering reports, manuals, and design documentation.

**Engineering Category's Courses**

# Course Lesson(24)

Lesson 1 : **L 01 Basics of communication | Effective Technical Communication | Mechanical**

Lesson 2 :
**L 02 Barriers level and flow of communication | Effective Technical Communication | Mechanical**

Lesson 3 :
**L 03 Non verbal oral and written communication | Effective Technical Communication | Mechanical**

Lesson 4 : **L 04 Kinesics study of body language | Effective Technical Communication | Mechanical**

Lesson 5 :
**L 05 Paralinguistics proxemics and chronemics | Effective Technical Communication | Mechanical**

Lesson 6 : **L 06 Interpersonal communication | Effective Technical Communication | Mechanical**

Lesson 7 : **L 07 Intercultural communication | Effective Technical Communication | Mechanical**

Lesson 8 : **L 08 Listening skills | Effective Technical Communication | Mechanical**

Lesson 9 :
**L 09 Negotiation creative and critical thinking | Effective Technical Communication | Mechanical**

Lesson 10 : **L 10 Public speaking | Effective Technical Communication | Mechanical**

Lesson 11 :
**L 11 Group communication and interviews | Effective Technical Communication | Mechanical**

Lesson 12 : **L 12 Formats of Business letters| Effective Technical Communication | Mechanical**

Lesson 13 : **L 13 Types of Business letters | Effective Technical Communication | Mechanical**

Lesson 14 : **L 14 Technical Reports| Effective Technical Communication | Mechanical**

Lesson 15 : **L 15 Formats of reports | Effective Technical Communication | Mechanical**

Lesson 16 :
**L 16 Manuscript format of Technical reports | Effective Technical Communication | Mechanical**

Lesson 17 : **L 17 Technical proposals | Effective Technical Communication | Mechanical**

Lesson 18 : **L 18 Technical description | Effective Technical Communication | Mechanical**

Lesson 19 : **L 19 Resume writing | Effective Technical Communication | Mechanical**

Lesson 20 :

L 20 | Agenda and minutes of meeting | Effective Technical Communication | Mechanical

Lesson 21 : L 21 Telephone Etiquettes | Effective Technical Communication | Mechanical

Lesson 22 :
L 22 Etiquettes for foreign business trips | Effective Technical Communication | Mechanical

Lesson 23 :
L 23 Etiquettes small talks privacy emails | Effective Technical Communication | Mechanical

Lesson 24 : L 24 Time Management | Effective Technical Communication | Mechanical
